Experience

Intern | Design Direction | Full Time| May 21, 2018 – July 23, 2018

- Checked in both small sample freight and large orders at the warehouse.
- Completed computerized drawings through AutoCad and Sketchup.
- Took notes at client meetings and site measurements on the job site.
- Organized and purged samples within the design library/showroom.
- Created budgets, proposals, and invoices for clients.

Personal Business Owner | Rooted | May 2015-Present (Rooted Officially Established/Branded In Spring Of 2017)

- Created design solutions for teen bedrooms, children's playroom, and private hair stylist studio.
- Selected home furnishings for residential properties and developed design solutions.
- House meetings and site visits.
- Handled multiple projects concurrently.
- Planned events including weddings, graduation parties, baby showers, birthday parties, company fundraisers, formals, and bridal showers.
- Participated in meetings with clients to gain initial insight on personal perspectives and budgets for their event.
- Managed a variety of client budgets in addition to managing a business expenses account.
- Worked with additional event businesses including florists, venue coordinators, DJs, caterers, & event rental companies for event planning projects and wallpaper installers, painters, builders, mechanics, and product representatives/dealers for design projects.
